in collaboration with :

LE GOUVERNEMENT
DU GRAND-DUCHÉ DE LUXEMBOURG
Ministère de l'Économie

LE GOUVERNEMENT
DU GRAND-DUCHÉ DE LUXEMBOURG
Ministère du Développement durable
et des Infrastructures

INVITATION

In the framework of the “**Luxembourg Circular Economy Hotspot**” which will take place in Luxembourg from 20th to 22nd June 2017, the Chamber of Commerce of the Grand Duchy of Luxembourg and its Enterprise Europe Network-Luxembourg, in collaboration with the Ministry of Economy, the Ministry of Sustainable Development and Infrastructures and Luxinnovation, are pleased to invite you to participate in the business day

« Lëtzbiz – Circular »

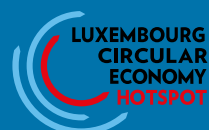

on **Wednesday 21st June 2017**
from **9.00 am to 4.45 pm** in its premises.

Lëtzbiz - Circular targets mainly SMEs and micro-enterprises with the aim to inform them about the latest trends in the field of circular economy, to stimulate cross-border partnerships and to initiate an exchange between companies and experts in this field.

The event includes a round table discussion on cross-border best practices in the field of circular economy, workshops, pitches, a small exhibition and b2b meetings between experts and businesses from different cross-border regions and far away countries.

The participants of this event will also have the opportunity to exchange with experts in the field of circular economy which will participate in the “Luxembourg Circular Economy Hotspot” and which will be present at the Chamber of Commerce in the afternoon.

Luxembourg Circular Economy Hotspot 2017

After the 1st edition in the Netherlands in 2016, the Grand Duchy of Luxembourg welcomes from 20th to 22nd June 2017 the 2nd edition of the international event “**Circular Economy Hotspot**”. During these 3 days, experts in the field of circular economy from all over the world have the possibility to discover Luxembourg best practices in this field through company visits, conferences, thematic workshops and networking events.

For more information, please visit: <http://circularhotspot2017.lu>

Lëtzbiz – Circular :

Striving towards a more responsible future!

Opening Event & Round Table

Economic and political actors from the Greater Region and the Benelux countries will discuss the possibility to transform nowadays challenges into tomorrow's opportunities through an active engagement in circular economy. Come and discover concrete projects and their practical application at transnational level.

Workshops

Organised by Luxinnovation, Fedil, OAI-Order of Architects and Consulting Engineers and LIST-Luxembourg Institute of Science and Technology, 4 workshops will give you the chance to inform your company on different aspects with regard to the practical application of circular economy:

- 1) The “Fit4Circularity” programme to facilitate and accelerate your company transition towards circular economy
- 2) The circular business models in the industry sector
- 3) The circular economy in eco-construction
- 4) Tools to evaluate and optimise the sustainability of solutions in circular economy

Mini-Exhibition

Companies and organisations will be presenting themselves in the mini-exhibition area to showcase their products and services, to share their expertise and know-how and to illustrate to the public their best practices in this field of circular economy.

B2b meetings

Meet potential partners coming from Luxembourg, the Greater Region, the Benelux Region and far away countries. Come and exchange your projects and visions during individual b2b meetings to implement concrete collaborations in terms of circular economy.

Target sectors

In order to contribute to a more sustainable and inclusive economy, the “Lëtzbiz Circular” event targets all sectors of the economy, with a special focus on:

- ✕ Digitalisation & ICT
- ✕ Eco-technologies & Eco-building
- ✕ Environment, renewable energy and energy efficiency
- ✕ E-mobility
- ✕ Transport & logistics
- ✕ Sustainable development
- ✕ Smart Cities

Intensify your
business relationships
and expand your business contacts!

Complementary to the round table and the proposed thematic workshops, you will have the opportunity to participate in the **international business meeting platform “b2fair®- Business to Fairs”**, enabling participating companies to establish long lasting business relationships as well as to develop a partner network in the Benelux countries, the Greater Region and the other associated neighboring regions.

By supporting the development of first business contacts, this **compact and unique** business platform will offer you the opportunity to study, in **a simple and efficient way**, the profiles of participating companies in advance and to meet your counterpart physically at the event.
